

Post Results Services

In line with JCQ regulations, students are able to request reviews of their results after they have been issued. If you are unhappy with an examination result, you may wish to consider post-results services offered by the awarding bodies. A summary of these services is below.

Important note: Marks can go up and DOWN. Where there has been a reduction in marks or a downgrade following a review of marking, the request cannot be revoked and the original mark or grade will NOT be reinstated.

For all services below, student consent is required and there is a personal cost attached. Please contact the exams office for details of fees.
