

GEOGRAPHY @ LJS LEARNING JOURNEY

Y7

OUR PLANET

Why is geography important?

AFRICAN ADVENTURE

Is Africa a continent of hope or despair?

GEOGRAPHY ROCKS

Are rocks the most important feature of our planet?

URBAN JUNGLE

Does living in urban areas bring a better lifestyle?

Y8

AWESOME ECOSYSTEMS

Is protecting ecosystems more important than human needs?

ERODING PLANET

Where is erosion at its most powerful?

THE ALMIGHTY DOLLAR

Where does money go when you spend it?

WEATHER AND CLIMATE

Is climate change one of the most pressing issues of our time?

Y9

OUR DEVELOPING WORLD

Is it a realistic ambition for the development gap to be closed?

HAZARDOUS EARTH

Why are tectonic events so hazardous?

FOOD AND DRINK

How sustainable is our production of food and use of water?

GLOBAL ISSUES

Is geography more than just a lesson?

Y10

CLIMATE CHANGE

Is it possible to solve the issue of climate change?

NEE CASE STUDY: NIGERIA

Will Nigeria become a HIC in the next 30 years?

ECONOMIC WORLD: DEVELOPMENT

Why are there uneven levels of development across the world?

COASTAL LANDSCAPES

Should people ever protect the coastline?

ENERGY RESOURCES

What is our energy future?

URBAN ISSUES: URBAN TRENDS

How and why are rates of urbanisation different across the world?

NEE CITY CASE STUDY: LAGOS

Do the opportunities created by Lagos' urban growth outweigh the challenges?

RIVER LANDSCAPES

Why do river landscapes look as they do?

NATURAL HAZARDS

Are weather hazards worse than tectonic hazards?

UK CITY CASE STUDY: NEWCASTLE

Has urban change created more opportunities or challenges in Newcastle?

THE CHANGING UK ECONOMY

Is the UK's economy changing for the better?

Y11

ECOSYSTEMS AND TROPICAL RAINFORESTS

What is the most important product or service of the rainforest?

HOT DESERTS

Is it worth exploiting deserts for economic gain?

ISSUE EVALUATION
