## Celebrating Student Success

HUGE Congratulations to Joe F (Y10) who had an exceptional meet at the Para World Series for swimming last week. He achieved a personal best in every single race and made 2 finals (50m breast stroke and 50m back stroke). Joe smashed a 27 second Personal Best in the 200m freestyle beating an older experienced para Olympic champion from India in doing so! Well done Joe - We are so proud of you!

Congratulations to Cate, Jake, William, Amber and Isabel (Y8) who have committed themselves for over a year to complete their Student Librarian Award Scheme. Well done, this is a fantastic achievement.

## Safeguarding Spotlight

As we approach another school holiday, we would like to revisit the risk of abuse and bullying online. This can come under the category of child-on-child abuse but also includes the risk of children being abused by adults. This week we would like to highlight the electronic way to report any harmful content which is experienced online, regardless of the platform that this content originated. This online tool works alongside the platform to have content removed. Prior to using this tool you should also report the content to the host platform using their specific reporting processes. However, should you experience any of the following, it is good to follow it up to have it removed quicker. This includes Threats, Impersonation, Bullying & Harassment, Self-harm or Suicide, Online Abuse, Violent Content, Unwanted Sexual Advances and Pornographic Content. Please use the link provided to report any of these issues. This is also another reminder for parents/carers to regularly check your child's phones/computers/gaming consoles and what they are accessing, in a positive and supportive way, to help them understand the risks and damage the wrong online experience can have.
