Messages from the Headteacher

Following our Y9 options process in February, all Y9 students have now been allocated their option subjects for KS4. Timetables have now been created for September and several option classes are now at capacity, unfortunately we will be unable to accept any changes to options at this stage. Your confirmed child's option choices will be issued shortly via letter to students. If you have any questions please contact Mr Tyzack (Assistant Headteacher).

Please see links to newsletters connected with our recent VALT Celebrating Diversity Month celebrations—open this [link](#) for the LJS newsletter, and this [link](#) for the trust-wide newsletter.

As we move towards a new internal data system, please note that from September we will be changing the terminology of our weeks to "Week A" and "Week B" from the current "Week 1" and "Week 2".

A reminder that we break up for the summer holiday next Friday 21st July. Students return on Wednesday 6th September.

Celebrating Student Success

This week saw our amazing cast of Grease performing in front of 3 sell out audiences. Every performance was incredible and all spectators enjoyed the show so much. The talent on display was fantastic and it was wonderful to see our students showcasing their skills and talents, and having the best time. Well done to all involved and the music and drama departments for their commitment and dedication in producing such a brilliant show!

Huge congratulations to Libby D (Y9), Freya F (Y9), Rosie D (Y7) and Ruby M (Y10) who recently went to Germany to represent the U.K. for Cheerleading and came back champions.

What a fantastic achievement!

Thank you to all who took part in our Colour Run 2023. We raised £130 which will be donated to our local food bank (Guisborough Bridge Association)
