Messages from the Headteacher

Welcome back to a new academic year. I hope that your child has had a great start to the autumn term. Attached to the class charts message this week, I have attached a welcome back letter with key information included. Please ensure to read this.

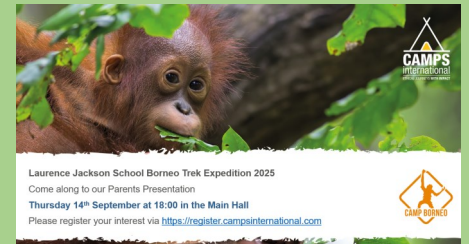

It has been fantastic to see our new Year 7 students making such a positive start to their first week at LJS. They have settled really well, look incredibly smart and have already produced some fantastic work and made a great impression. Keep it up!

Our Extra Curricular programme will be circulated next week and plans to commence on Monday 18th September.

We are delighted to be working with Camps International, offering our current Y9 and Y10 students the opportunity to take part in a 4 Week expedition to Borneo in summer 2025. Come along to our informal presentation evening where you can learn more and ask questions about this exciting opportunity. We expect the presentation to last around 45 minutes: Thursday 14th September 6pm, main hall. To ensure you receive an information pack, please confirm your attendance online via [this link](#) Our School Code is **8584**

Please note that Miss Booth is currently not in school and any Year 9 related queries to be directed to Mrs Anderson.

Celebrating Student Success

Huge congratulations to Lottie T-W (Year 11), who will perform with professionals in the English Youth Ballet's production of Coppélia at the Sunderland Empire Theatre on 1st – 2nd September. She has had an amazing summer rehearsing in Sunderland and is loving the experience. Well done Lottie!
