CURRICULUM

KS3 Home Learning

Please note that from w/b 3rd November, Homework Club 2.50-3.30pm will no longer run on Fridays.

No new home learning will be set over next week's holiday but your child will have the usual deadlines to meet in the first week back.

To support good home learning routines, please check whether your child is following the suggested timetable we shared. If not, discuss whether they have created their own. If their approach has been more ad hoc, consider setting a goal to create a timetable for next half term. Please encourage your child to complete their current tasks on Sparx Maths and Reader first, then catch up on any missed work if possible.

If you're experiencing login issues, please email reception@laurencejackson.org with the subject line 'Home Learning Login Issues'.

Students will be reminded of the following in form time on Monday 3rd November after the holidays:
